# Gustav Klimt

# This is Gustav Klimt.

He lived about 100 years ago and worked as a painter in **Vienna, Austria**.  
He spent **many summers in the country** with his friend Emilie Flöge.  
It was there that he painted many beautiful pictures of the countryside  
and its flowers.

Gustav especially liked to paint portraits of women dressed in fantastic clothes.  
For inspiration, he would ask his friend Emilie. Together with her **sisters**,  
she owned one of **the most fashionable stores** in Vienna and designed clothes  
for the wealthy women of the city.

Many of Gustav's paintings are richly  
patterned with **wavy lines, spirals, circles**,  
and other ornaments. Using this style  
of painting, he became one of the **first artists**  
of the **"Art Nouveau"** movement.

In this book you will find pictures by Gustav  
Klimt to color in and finish yourself. There is also  
a paper doll with her own dresses that you  
can cut out. Use your favorite colors and paint  
the pictures any way you want!

Do you have a **golden crayon or marker**?  
Gold was one of **Gustav's favorite colors!**

Ihre Kreativität wird immer mit einem außergewöhnlichen Bild belohnt, angelehnt an einen großen Meister. So werden schon die Jüngsten ermutigt, ideenreich mit Farben umzugehen.
