

# Volume III/35 Nuclear Magnetic Resonance (NMR) Data

## Subvolume A: Chemical Shifts and Coupling Constants for Boron-11 and Phosphorus-31 \*)

|          |   |                                      |
|----------|---|--------------------------------------|
| <b>1</b> | <b>Introduction</b> (R.R. GUPTA)                              |                                      |
| 1.1      | Magnetic properties of nuclei . . . . .                       | 1                                    |
| 1.2      | Spinning nuclei in magnetic field . . . . .                   | 1                                    |
| 1.3      | Theory of nuclear resonance . . . . .                         | 3                                    |
| 1.4      | Chemical shift . . . . .                                      | 4                                    |
| 1.5      | Coupling constant . . . . .                                   | 5                                    |
| 1.6      | Organization of data . . . . .                                | 6                                    |
| <br>     |   |                                      |
| <b>2</b> | <b>Boron-11 NMR</b> (A. PELTER, R.T. PARDASANI, P. PARDASANI) |                                      |
| 2.1      | Introduction for 2. . . . .                                   | 7                                    |
| 2.2      | Chemical shift, $\delta$ [ppm] . . . . .                      | 10                                   |
| 2.3      | References for 2.2 and 2.4 . . . . .                          | 110                                  |
| 2.4      | Coupling constant, $J$ [Hz] . . . . .                         | see the CD-ROM, added to this volume |
| 2.5      | References for 2.4 . . . . .                                  | see the CD-ROM, added to this volume |
| <br>     |   |                                      |
| <b>3</b> | <b>Phosphorus-31 NMR</b> (R.R. GUPTA, M. JAIN)                |                                      |
| 3.1      | Introduction for 3. . . . .                                   | 131                                  |
| 3.2      | Chemical shift, $\delta$ [ppm] . . . . .                      | 132                                  |
| 3.3      | References for 3.2 and 3.4 . . . . .                          | 226                                  |
| 3.4      | Coupling constant, $J$ [Hz] . . . . .                         | see the CD-ROM, added to this volume |
| 3.5      | References for 3.4 . . . . .                                  | see the CD-ROM, added to this volume |
