The three friends Maya, Josh and Greg want to have a picnic in the country.

1 They are looking for a nice place to sit down.

2 The boys are exhausted.

Oh, come on!

I'm tired.

Can't we stop here, Maya?

3

4

My arms hurt!

5

In a minute. There's a great place for a picnic over there.

6

SIGH!

7

But I'm not carrying this bag across another field, Maya. It's really heavy!

GRRRR

8

I'm hungry!

I know. There's lots of food for the picnic in it.

9

That's it! I'm tired. I'm stopping here.

10 Maya gives in.

OK...OK!

11 They prepare the picnic.

12 Greg turns on his radio.

Greg, what are you doing? You aren't listening to the football, are you? We're in the country!
