

4 Late for school? (→ p. 93 / ex. 4)

Look at the pictures, and say why the children were late to school.

While I was eating breakfast,

I suddenly felt ill.

When I was walking to school

it started to rain.

While I was waiting for the bus

a boy on skates ran into me.

When I was leaving my house

an old lady asked for help.

While I was packing my bag

the telephone rang.
