

KV 1: Preparing a talk to the class

When you are preparing a talk to your classmates, you need to collect information first. Then you must organise it to make your talk interesting. Here is some help for planning and preparing a talk in class. Follow these steps and make your notes.

My talk is about:

Introduction: *How will I make the talk interesting for my classmates?*

Important information:

-
-
-
-
-
-
-

Conclusion: *How will I finish my talk?*

Things I will show to my classmates:

KV 2: Our sports

- a) Read the questions and answer them for yourself.
 b) Choose two classmates and ask them the questions. Fill in your classmates' lists.
 c) Tell the class about your sports and your classmates' sports.

Questions	YOU	Your classmate 1	Your classmate 2
