

n

m

Diagram showing the stroke order for writing the cursive letter 'n'. A box on the left shows 'n' on a three-line grid. To the right, a large 'n' has a downward arrow labeled '1' indicating the starting point and direction of the stroke. Below are three smaller 'n' characters for tracing.

Diagram showing the stroke order for writing the cursive letter 'm'. A box on the left shows 'm' on a three-line grid. To the right, a large 'm' has a downward arrow labeled '1' indicating the starting point and direction of the stroke. Below are three smaller 'm' characters for tracing.

Four horizontal writing lines for practice. Each line has a house icon at the start and end. The first line contains a cursive 'n' on the left and a faded 'n' on the right. The second line contains a cursive 'm' on the left and a faded 'm' on the right. The third line contains a cursive 'n' on the left and a faded 'n' on the right. The fourth line contains a cursive 'm' on the left and a faded 'm' on the right.
