Alle Vögel singen schon,

Blumen blühen im Garten,

A vibrant illustration of a spring garden. The scene is filled with various flowers, including purple crocuses, pink and white anemones, and light-colored pansies. A red ladybug is perched on a purple flower in the lower center. Two bees with yellow and black stripes and blue wings are flying in the upper right quadrant. The background is a soft, light blue, suggesting a clear sky. The overall style is soft and painterly, with delicate lines and a rich color palette.

Crocus, Veilchen, Anemon,
Die verschämten, zarten.
